### **Miss Me But Let Me Go**

When I have come to the end of the road, and the sun has set for me.  
I want no rites in a gloom filled room. Why cry for a soul set free.

Miss me a little, but not too long, and not with your head bowed low.  
Remember the love that once we shared. Miss me, but let me go.

For this is the journey that we all must take, and each must go alone.  
It's all a part of the Master's plan. A step on the road to home.

When you are lonely and sick of heart. Go to friends that you know.  
And bury your sorrow in doing good deeds. Miss me, but let me go.
